MEMORANDUM FOR ALL WARRANT OFFICER CANDIDATES

SUBJECT: Warrant Officer Candidate School (WOCS) Welcome and Orientation

1. Congratulations on your selection to attend WOCS! I'm confident that WOCS will be a challenging and rewarding experience for you. The program is designed to ensure you're adequately prepared to be an Army Warrant Officer as well as to help you realize what you're capable of achieving under physically and mentally demanding conditions. The daily training, mentoring, and feedback regimen in a "task saturated" environment will help you develop the leadership skills and attributes the Army expects its Warrant Officers to possess. Upon your completion of the program and appointment as a Warrant Officer, you'll have a justifiable sense of accomplishment and pride in knowing that you are truly prepared to serve as an Army Officer.

2. Prior to reporting to WOCS, there are some things you can do to prepare mentally and physically to ensure your success.

a. Resolve to exceed the leadership challenges you'll encounter during the program—the stronger your motivation to successfully complete the program, the better you'll do.

b. Ignore rumors you may hear about WOCS; it's true that WOCS is transforming just as the rest of the Army is transforming, but the goals of WOCS remain the same.

c. In-as-much as possible, resolve personal and family matters before you report.

d. Get into top-notch physical condition before you arrive to enable you to do your best in daily physical training and to adjust to the high temperatures and extremely high humidity that are prevalent during much of the year.

3. Again, congratulations on your selection for WOCS! All of us at WOCS look forward to helping you gain the tools you'll need to serve our country effectively as a Warrant Officer in the US Army.

GLENWOOD NORRIS, JR.
Colonel, Aviation
Commandant

Unit commanders will ensure all candidates enrolled in WOCS meet course prerequisites. Candidates who report for training must have in their possession a completed pre-execution checklist, signed by the candidate and the unit commander. Unit commander can further certify the completion of prerequisite testing/evaluation (i.e., FAST test). Documentary evidence of security clearance, physical profile, and other non-routine prerequisites are required in addition to the pre-execution checklist. The unit commander's signature on the pre-execution checklist will suffice as certification that the candidate meets course prerequisites (as stated above) IAW all requirements of the course. Candidates reporting for training without the required supporting documents, and a completed checklist signed by the candidate and unit commander, will be returned to their unit. This checklist is a pre-enrollment requirement for the Warrant Officer Candidate School.

ORIENTATION PACKET

1. **PURPOSE:** The purpose of this orientation booklet is to provide general information on the Warrant Officer Candidate School (WOCS) as required by TRADOC Regulation 350-10.

2. COURSE OVERVIEW.

a. Upon arriving at Fort Rucker, report in appropriate civilian attire to Headquarters & Headquarters Company (HHC), building 5910, anytime on or before your report date for billeting assignment. Hand carry all items applicable to your attendance as required and the completed WOCS Pre-Reporting Checklist. We recommend that you arrive not later than 1200 hours on the report date. You will receive instructions on what is required to begin inprocessing. HHC is where your class is formed and your WOCS orientation begins. Study the WOC SOP, pay close attention to the information you receive (listen effectively), take care of all administrative requirements and you will be off to a good start. Briefings and orientation periods will be conducted the day prior to training day one. You must be completely inprocessed prior to that. You will move as a class to 1st Warrant Officer Company the day prior to training day one.

b. WOCS trains, educates, and assesses Warrant Officer Candidates in the fundamentals of leadership and basic military skills. WOCS instills professional ethics, evaluates, and develops each candidates' leadership abilities and prepares them for appointment as WO1 in the Active Army, the Army National Guard or the U.S. Army Reserve.

c. Training, Advising, and Counseling (TAC) Officers educate, train, and evaluate each candidate to enhance their leadership abilities and enable them to become successful Warrant Officers. Candidates are evaluated through performance and written examinations and leadership evaluations in academic, field and garrison environments. TAC Officers also advise, counsel, help develop, and make recommendations concerning the progress of each candidate. They demand the maximum performance you are capable of, and strive to set an example for you to follow. Candidates must meet the course prerequisites and graduation requirements to move to the Warrant Officer Basic Course (WOBC) conducted by their proponent school.

3. ENROLLMENT/COURSE PREREQUISITES. Applicants must:

a. Meet all application and selection prerequisites outlined by the Warrant Officer Procurement Program, the Centralized Selection Board, and DA Circular 601-99-1.

b. Be medically qualified IAW chapter 2, of AR 40-501. Candidates cannot possess a profile that limits Army Physical Fitness Test (APFT) or full participation in vigorous physical training. (Must be able to pass standard 3-event APFT. No alternate events are authorized unless approved by exception to policy through Army G-3. Approved exceptions will not preclude participation in road marches or carrying a rucksack weighing a minimum of 40 pounds.)

c. Meet the height and weight screening criteria of the Army Weight Control Program. Soldiers who exceed weight standards will be measured for percentage of body fat. Soldiers exceeding body fat standards are eliminated and processed IAW AR 350-1 and AR 600-9.

d. Possess an initial issue of serviceable clothing as outlined in AR 670-1, and AR 700-84. Military clothing is discussed in depth later in this packet.

4. **SECURITY CLEARANCE REQUIREMENTS.** The Joint Personnel Adjudication System (JPAS) is the Army system of record for security clearance eligibility and access. A JPAS printout that reflects access at Secret or Secret-Interim level must be provided. Individuals are required to complete all security application requirements, i.e. EPSQ submission and fingerprints, PRIOR to attending WOCS. Individuals who have not received an Interim-Secret clearance will NOT be allowed to attend WOCS. All security verification statements must be in accordance with special instructions at Appendix 6.

a. Ensure a copy of your final security clearance, (JPAS Printout), is filed in your personnel folder. If no JPAS Printout is available, we will accept the security verification statement from your installation security manager (not a clerk in the S-2 office). See separate special procedures at <http://usawocc.army.mil> for those without a final clearance.

b. Waivers, when authorized, **must be approved in advance of arrival**. Those arriving for either active or reserve component WOCS without the security verification and completed clearance or approved waiver will be returned to their home unit. See separate special procedures at <http://usawocc.army.mil>.

5. **CONDUCT AND APPEARANCE.** Upon arrival, ensure you present a neat, professional appearance. You are reporting to an officer producing school. Do not report in tank tops, baggy jeans with holes, collarless shirts, or shirts with derogatory language. Report with a haircut meeting Army standards. Moustaches are not permitted. You are a Warrant Officer candidate. Act and look like the officer that you are striving to become.

6. **DINING FACILITY.** You will use the Aviation Center Consolidated Dining Facility. You will always march as a unit to the dining facility.

7. **FINANCES.** Make sure that your debts are in order before beginning the course. Arrange for payments of bills while you are in training. Take extra precautions to ensure that finance has your records in order and that you are paid when and where you specify. Any reports of indebtedness or bad checks may result in your removal from training until the problem is resolved. Recurring problems of this nature may result in elimination.

a. A history of credit problems may potentially stop you from receiving the required security clearance and prevent you from starting training. Ensure that you review your credit report prior to requesting an interim clearance. Clear up, or have supporting documents to show account is settled for, any derogatory statements on your report (i.e., charge offs, delinquent payments, and bankruptcy).

b. Do not spend excessive amounts of money on items that you think you will need for the course. Wait until you are given your initial orientation during your stay at HHC; you will have time to purchase the items that you need. The average candidate spends \$550 - \$750 during the

course on laundry, personal, and class expenses. If you arrive by air, one-way taxi fee from Dothan airport is \$20 - \$30. Once training begins, you are limited to a total of \$350 cash on hand. Additional funds are authorized as needed via personal or travelers' checks, or ATM cards.

8. MILITARY CLOTHING. Verify that you have the military clothing required for the course. Do not buy new uniforms if your old ones are serviceable IAW AR 670-1. Too often Soldiers buy an entire new issue when the expense is not warranted. The Fort Rucker Military Clothing Sales has all the basic issue items needed to attend WOCS should you find you are missing items or something is unserviceable after arrival. Appendices 1 and 2 list all military clothing requirements for males and females. If you are reporting here from Basic Training and have uniforms that do not fit (too large, too small, etc.), report to supply for a direct exchange.

NEW BOOTS

Give new boots some time to break in before arrival. You will spend approximately 17 hours a day in boots and participate in weekly road marches up to 10K, so ensure to prepare yourself in advance.

a. Both ACU and brown boots are authorized for wear in accordance with current Army Policy. WOCs may wear either BDU or ACU, authorized black leather or "jungle" boots, or authorized brown suede boots. WOCs may bring and wear both types of uniforms, provided they are worn and maintained in accordance with AR 670-1, and the total number of uniform items does not exceed the maximum quantity authorized by the packing list.

b. CTA 50-900 (Para 8b) authorizes Reserve Component Warrant Officer candidates to receive 2 additional sets of BDUs from their unit supply prior to arrival.

c. If you are attending WOCS in a TDY or ADT status wear the unit patch of your current or last unit. All others wear the Aviation Center patch.

d. Ensure that all name tapes, patches, and authorized badges are properly attached or sewn on in accordance with current requirements of AR 670-1. Interservice transfers are authorized to have all patches sewn on at government expense.

e. You may sign in wearing the headgear in use by your parent unit at the time of departure from last station. You'll wear the patrol cap (old BDU cap) during the WOCS training. You'll also wear the beret with your class A and B uniforms.

f. The Clothing Sales store has a deferred payment plan available for purchases over \$50.00 and less than a \$200.00 unpaid balance. Wait until you get to HHC to mark your equipment to ensure it is marked IAW WOCS policy.

9. PRIVATELY OWNED VEHICLES. Park your vehicle in the designated class area. It will remain there for the duration of your time in the WOCS. If you have a privately owned weapon (shotgun, rifle, handgun), do not store it in your vehicle. You are given time on Sundays to start and idle your vehicle to prevent battery and engine problems. Don't store anything in your POV that is in plain view.

10. **PRIVATELY OWNED WEAPONS (POW).** We recommend that you leave your POW at your place of residence. If you have a POW with you, report it IMMEDIATELY to the HHC cadre (XO or TAC officer). If it is after duty hours, have the Candidate Duty Officer call the Crime Prevention Officer. You will register your weapon with the military police and store it in the arms room until you complete the course. Ensure you receive a briefing on how you are to draw your weapon from the arms room when it is turned in.

11. **PROFILES.** In the event that an injury occurs or you have a profile when arriving at the WOCS, report it as soon as possible to cadre for evaluation. The training pace at 1st WOC is fast and an unreported injury may jeopardize your successful completion of WOCS. Candidates placed on medical/administrative hold will perform duties within the limits of their profile, as directed by your Senior or Primary TAC officer.

12. **STATIC ITEMS.** A static item is anything that duplicates an item that you display for inspections, or an inspected item that is hidden for the purpose of evading inspection. You can be eliminated from the course for having static items once you begin training. You will have ample opportunity to store extra items in a security room on your first day of active training, so do not throw these duplicate items away. If you wait until arrival at HHC to purchase the required items, you will avoid purchasing unnecessary items that may be considered "static."

13. **UNAUTHORIZED ITEMS.** You are not permitted to use certain clothing items, equipment and products in the WOCS. They are items that are considered to give you an unfair advantage over others. Appendix 5 contains a list of unauthorized items.

14. **ALCOHOLIC BEVERAGES AND TOBACCO USE.** Consumption or possession of alcoholic beverages or tobacco products by students assigned to WOCS is strictly forbidden. This restriction applies from the date of sign-in to date of departure, regardless of status (i.e., snowbird, active class, admin/medical hold, or holdover). If you are a user of tobacco products and believe that you will have severe withdrawal symptoms, it is highly recommended that you see your local medical authorities for help. Violation of this restriction is grounds for immediate elimination!

15. **MAIL.** You will be issued a mailbox when you inprocess.

16. **TELEPHONES AND CELLULAR PHONES.** You may not use military phones for personal business. You may use only the pay phones located in the HHC area while inprocessing. Once training begins, candidates will not have telephone privileges until the class earns those privileges (usually for the first 2 weeks). You are encouraged to call your family members to inform them of your safe arrival and to advise them of your new address (once you receive your P.O. box assignment). Storing of cellular phones in your POV is unauthorized.

17. **AKO ACCOUNT:** You must have an AKO account. Register in advance at www.us.army.mil.

18. **MOVING DEPENDENTS:** Candidates authorized to move their dependents to Fort Rucker must do so PRIOR to their report date for WOCS. It is the individual's responsibility to

request 10 days permissive temporary duty (PTDY) for house hunting, from the losing command, and to settle their family prior to signing in to HHC. Once signed in, you will NOT be authorized PTDY until completion of WOCS. Candidates who are intra-service transfers will be processed case-by-case due to the limitations and restrictions placed upon them by their losing branch of service. All personnel arriving to Fort Rucker, PTDY for house hunting, are required to first report to the Post Housing Office (located in Bldg 5700) to have their PTDY paperwork stamped. Warrant Officer Candidates are authorized on post quarters, if available.

If you still have questions on items to bring, contact the HHC Commander for information. Phone 334-255-1287 or DSN 558-1287.
